01 About US

1.1 Preamble

GK WEB TECH is dedicated to cultivating socially responsible professionals who meet global standards in the realm of educational technology. This manual serves as a comprehensive guide to all policies and procedures that influence the academic and administrative operations of the institute.

1.2 Objectives

To nurture holistic development in students for occupying key positions in the IT industry globally.

To imbibe social responsibility, innovation, sustainability, and quality management concepts.

To provide distinct and excellent contributions in the field of technical education.

1.3 Organizational Roles

Director: The head of the institution, responsible for overall strategy and policy implementation.

Center Manager: Responsible for day-to-day operations, student grievances, and batch scheduling.

Senior Technical Trainer: Subject Matter Experts (SMEs) responsible for curriculum delivery and project mentoring.

Placement Coordinator: Manages industry tie-ups, mock interviews, and student placement drive

02 Policy & Conduct

CHAPTER II: ADMISSION & ENROLLMENT POLICY

2.1 Eligibility Criteria

Admission to courses (Software Testing, Full Stack Java, Data Science, etc.) is open to candidates who have passed H.S.C. (Std. XII) or Graduation from a recognized board/university. And anyone who wants to upgrade hir or her skills for job

Technical Courses: Preferred for students with a background in BCA, B.Tech, BSc (CS/IT), or MCA.

Foundation Courses: Open to students from any stream (Arts/Commerce) wishing to up their skills

2.2 Enrollment Process

Students must fill out the enrollment form and submit self-attested copies of their academic testimonials.

Identity Proof: A copy of the Aadhaar Card or Passport is mandatory for address verification.

Photographs: Two recent passport-sized photographs must be submitted for the Institute ID Card and records.

2.3 Fee Policy

Fees must be paid as per the schedule (Lumpsum or Installment) decided at the time of admission.

Non-Refundable: Registration fees are strictly non-refundable. Tuition fees are non-refundable once the batch has commenced for more than 7 days.

CHAPTER III: ACADEMIC & TRAINING REGULATIONS

3.1 Academic Calendar & Planning

At the start of the batch, the Center Manager shall prepare an Academic Calendar summarizing the planning of teaching, examinations, and project submission dates.

Lesson Plans: Trainers must prepare lecture-wise lesson plans to ensure the syllabus is completed within the stipulated timeframe.

CHAPTER IV: TIME, ATTENDANCE & BIO-METRIC POLICY

4.1Batch Timings & Duration

Standard Class Duration: Every student is allotted a specific batch time. The standard duration for a daily session is strictly 1 Hour per student.

Batch Adherence: Students must strictly adhere to their allotted 1-hour slot (e.g., 10:00 AM to 11:00 AM). Overstaying in the lab without permission is not permitted to ensure other batches run smoothly.

4.4 Course Extension & Support Policy

Course Completion: Students are expected to complete their syllabus and projects within the standard course duration (e.g., 3 Months / 6 Months) assigned at admission.

Non-Completion Support: If, for any valid reason (medical, slow learning pace, or emergencies), a student is unable to complete the course within the stipulated time, GK WEB TECH provides the following **Extension Options:**

Option A (Time Extension): The student will be granted 1 Month Extra duration to attend regular classes and finish the curriculum.

Option B (Hours Extension): The student may be permitted to attend 1 Hour Extra daily to accelerate their learning and complete the pending syllabus within the original deadline.

Approval: Extension requests must be approved by the Center Manager.

4.5 Biometric Entry & Exit System

Mandatory Biometric Card: Every student will be issued a registered Biometric Smart Card upon admission. Carrying and using this card is mandatory for entering the campus.

Entry-Exit Procedure: Students must swipe their cards upon Entry to the institute and Exit after their 1-hour session. Failure to swipe will mark the student as "Absent" for the day

4.6 Parental Notification (SMS/App Alerts)

Real-Time Updates: GK WEB TECH prioritizes student safety. As soon as a student swipes their biometric card, a Live Notification (SMS) will be sent to the registered parent's mobile number.

"Your Child has Entered the Institute at [Time]."
"Your Child has Left the Institute at [Time]."

Late Arrival & Absenteeism: If a student does not swipe in within the first 10 minutes of their allotted batch time, an automated "Absent/Late" alert will be sent to the parent.

4.7 Leave Management

Applying for Leave: Students wishing to take leave (e.g., for exams or illness) must apply for leave via the Biometric System/App or submit a written request at least 24 hours in advance.

Leave Notifications: Once a leave is approved by the Center Manager, a confirmation SMS will be sent to the parent stating, "Leave Approved for [Date]."

Unauthorized Leave: If a student is absent without prior approval, the biometric system will automatically trigger an "Uninformed Absence" alert to the parent by 11:00 AM on that day.

4.8 Grace Period & Discipline

Punctuality: Students are expected to arrive 5 minutes before their batch starts.

Grace Time: A grace period of 10 minutes is allowed. Arrival after this period will result in a "Late Mark" in the system, and parents will be notified immediately.

Repeated Lateness: Three consecutive late marks will require a parent-teacher meeting to ensure discipline is maintained.

CHAPTER V: EXAMINATION & CERTIFICATION POLICY

5.1 Assessment StructureEvaluation is continuous and divided into three parts:

Internal Assessment (Class Tests): Conducted after every module (e.g., Core Java, SQL).

Practical Assessment (Lab Exams): Live Practical and assigment.

Final Certification Exam: A comprehensive exam covering the entire syllabus.

5.2 Conduct of Examinations

Prelims: A preliminary exam based on the entire syllabus is conducted one week prior to the final certification.

CHAPTER VI: IT, LAB & CYBER SECURITY POLICY

6.1 Acceptable Use of IT Resources

Purpose: Institute IT resources (Computers, Wi-Fi, Servers) are for academic use only. Using them for personal business, entertainment, or illegal activities is prohibited.

Access Control: Access to the network and servers is restricted to normal working hours. Unauthorized access attempts will be logged and penalized.

6.2 Software & Data Security

Unauthorized Software: Installation of pirated software, games, or hacking tools is strictly prohibited.

Virus Protection: All external devices (Pen drives, Hard Disks) must be scanned for viruses before connecting to institute computers.

Data Privacy: Students must not copy proprietary code, study materials, or other students' project data. This constitutes data theft.

6.3 Password Policy

Students provided with login credentials for the LMS or Lab Servers must not share their passwords.

Passwords should be changed every 30 days and must be unique

CHAPTER VII: STUDENT CODE OF CONDUCT & DISCIPLINE

7.1 General Conduct

Identity Cards: Students must wear their GK WEB TECH ID cards at all times in the institute.

Mobile Phones: Strictly prohibited in classrooms and labs. Usage is allowed only in the common area/reception.

Dress Code:
Male: Formal or Smart Casual attire. Neatly shaved or trimmed beard.

Female: Formal Western or Indian wear suitable for a professional environment.

Note: Gym wear, shorts, or revealing clothes are not permitted

7.2 Anti-Ragging & Bullying

Zero Tolerance: Ragging is strictly prohibited within or outside the campus. Defaulters will be dealt with as per the relevant state laws.

Cyber Bullying: Harassing students or staff via social media or messaging apps is a punishable offense.

7.3 Disciplinary Actions

Minor Penalties: Warning letters, fines (for property damage), or suspension for 1-3 days.

Major Penalties: Expulsion from the institute without a refund for serious offenses like theft, sexual harassment, or physical violence

CHAPTER VIII: GRIEVANCE REDRESSAL & SAFETY MEASURES

8.1 Grievance Redressal Mechanism

Any student or staff member having a grievance (academic, infrastructure, or interpersonal) can submit a written complaint to the Center Manager.

Escalation: If the issue is not resolved within 7 days, it can be escalated to the Director.

8.2 Internal Complaints Committee (ICC) -Women's Safety

In accordance with the "Sexual Harassment of Women at Workplace Act, 2013," an ICC is constituted to handle complaints.

Confidentiality: The identity of the aggrieved party and the respondent will be kept strictly confidential during the inquiry.

8.3 Green Campus & Safety

Energy Conservation: Students must turn off monitors and fans when leaving the lab.

Waste Disposal: Use separate bins for dry waste and electronic waste (e-waste).

Fire Safety: Fire extinguishers are installed in all labs. Tampering with safety equipment is a serious offense.

CHAPTER IX: PLACEMENT ASSISTANCE POLICY

This policy outlines the support provided by the Placement Coordinator to help students transition into the IT industry.

- **Eligibility Criteria:** To qualify for placement assistance, students must maintain at least 90% attendance and complete all assigned projects within the stipulated course duration.

- **Mock Interviews:** Students are required to participate in mandatory mock interviews and technical SME reviews to assess job readiness.

- **Professional Conduct:** Any "no-show" for a scheduled interview with a partner company without 24-hour prior notice will result in a temporary suspension of placement services.

- **Offer Policy:** Once a student accepts a job offer through the institute's drive, they are considered "Placed" and will no longer be eligible for further interviews to allow opportunities for other students.

03 Certification

GK WebTech proudly certifies that PG has successfully completed the program and demonstrated exceptional proficiency.

04 Meet the Team

"Meet the team that's passionate about driving innovation and excellence in everything we do."
